

Product Data Sheet

Steel Klet

K0007

Steel Klet is a stronger version of the ever popular Klet. It still retains the wide gate opening and key lock nose, while the 50kN MBS make it the ideal rigging karabiner.

Specs:

- Material: Zinc plated steel
- Colour: Zinc
- MBS: 50kN
- Gate open strength: 20kN
- Side load strength: 15kN
- Gate opening: 25mm
- Length: 116mm
- Width: 79mm
- Weight: 253g
- Individually serial numbered

Conforms to:

- EN362
