

Stitched Rope Eye

RR015

We can add a sewn eye termination on any length of 11mm rope in our range.

All rope sewn terminations are marked up with a unique serial number, length, rope diameter, and year of manufacture.

The sewn eye is covered with a transparent protective sheath that helps prevent abrasion and the ingress of dirt but allows for the ease of inspection. All standard eyes can be fitted with a thimble to protect the rope.

Specs:

- Static strength 22kN
- Only available on 11mm rope
- Individual serial number
